Sir:

In the matter of the above-identified application, which is under a RCE (Request for Continued Examination) status, applicants, through their undersigned representative, are submitting herewith a listing in a form equivalent to form PTO-1449 of three (3) art documents (including two (2) U.S. Patents and one European published Patent document) for the USPTOs consideration. Copies of the three (3) listed documents were submitted along with comments directed thereto in connection with a paper entitled, "*Submission Under 37 CFR §1.56*" on September 30, 2003. However, since the above-referenced application was under a Final Office Action status, on September 30, 2003, an IDS pursuant to 37 CFR §1.97 and 1.98 was not available at that time. Since the above-referenced application is now under a RCE

status, acceptance and formal entry therefor of this IDS pursuant to 37 CFR §1.97(b)(4) is respectfully requested. With regard to this, it is noted that the appropriate portions of 37 CFR §1.98 have also been met. As indicated above, copies of the three listed art documents (in the accompanying equivalent form PTO 1449) are not necessary since they were earlier submitted in the paper filed on September 30, 2003, which paper also included comments directed thereto.

Acceptance and formal entry therefor of this IDS is respectfully requested.

If any costs are due in accordance with the filing of this paper, please charge same to the account of Antonelli, Terry, Stout & Kraus, LLP, Account No. 01-2135 (501.39868X00) and please credit any excess fees to such deposit account.

Respectfully submitted,
ANTONELLI, TERRY, STOUT & KRAUS, LLP
